Our Covid Pledge
What we do to protect our diners and workers from Covid-19

We will: Make sure all restaurant workers wear masks at all times, and all guests wear masks at all times when not eating, especially when interacting with workers

Space tables at least six feet apart as measured from chairback to chairback, and stay within local guidance for maximum seating capacity

Make sure ventilation systems are functioning properly, clean, and operating whenever workers or diners are on the premises; and increase air filtration and fresh air circulation to the maximum possible extent

Screen all restaurant workers for symptoms every day; screen arriving diners and help them make a future reservation if they have had Covid symptoms in the previous 10 days or been exposed to anyone with Covid in the previous two weeks

Make sure all restaurant workers wash or sanitize their hands frequently, and frequently clean and sanitize high-touch surfaces and objects

Make sure all restaurant workers maintain a distance of at least 6 feet from other people when possible, and all diners maintain a distance of at least 6 feet from people outside their party
