Are you passionate about our oceans?
Do you hope to pursue a career in marine science?
Have you already done a project in your school or community related to the health of our waters?

We invite you to join scientists, educators, and students for the 2019 NMEA Student Conference. Throughout this one-day event, students will have the opportunity to:

- Network with local and national marine science professionals
- Meet other students who are passionate about our oceans
- Learn about the latest issues and advancements in marine science research and conservation
- Explore careers and opportunities related to marine and ocean science
- Enjoy a 1-year membership to NMEA
