¹Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Annual Percentage Rate and frequency of compounding for an annual period. The minimum balance to earn dividends on the Regular and Secondary Shares is $100. ²Certificate rate applies to new funds from another institution. A penalty may be imposed if you withdraw funds before the maturity date. Penalty will reduce the earnings and may reduce the principal balance of the certificate.

VISA

PLATINUM CREDIT CARD SPECIAL!

1.99 % APR* Pay only 1.99% until August 31, 2020.

New accounts – purchases and balance transfers
Existing accounts – balance transfers
