

COMMUNITY VALUES

Here at The Rebel Rousers, I'm building a business that celebrates your fabulous, unique self. I want everyone I work with to feel safe at all times, and I am committed to building an inclusive, intersectional business.

This includes but is not limited to race, sexuality, gender, (dis)ability including physical and mental health, neurodiversity, religion, parenthood and those with caring responsibilities.

The Rebel Rousers is also all about building a business that feels good, and feels good for customer too. Therefore application to the directory goes through a screening process and I refuse the right to refuse application. (We're talking here mainly pyramid schemes, shame-based marketing and general sleazy practice). In the event of a refusal to the directory, you will be refunded your payment and your membership will be suspended.

By joining Rebel Creators, you are acknowledging these values, and understand that any violation will result in the immediate termination of your membership, and a refund for your current month or pro-rata rate for your remaining yearly membership.
