

**Tell Congress and the White House: Include Your Pensions in COVID-19 Response!**

Right now, Congress and The White House are deciding what kind of assistance to include in economic stimulus bills to respond to COVID-19. Tell them that your hard-earned pensions must be included!

[CLICK HERE](#) for ways to contact your Members of Congress and The White House by email and phone. It is critically important that you act today!

This market crash, along with previous market crashes, have greatly affected multi-employer pension funds – especially the more than 115 funds that are projected to become insolvent in the coming years. Our elected officials are considering financial assistance for airlines, hospitality, cruise lines and other industries facing financial distress. **Your Central States benefits must be protected also.**

Please act today. More information and the latest updates are available at [www.voicesforpensionsecurity.com](http://www.voicesforpensionsecurity.com).

Our hearts go out to all those who have been affected by this virus. The health of our participants is important to us and we hope you all stay safe during this crisis.
