Dear Program Leader,

As a community leader within your program, you are in a unique position to be an impactful mentor and coach for your students. Students look to you for academic, social, and emotional support, guidance, and encouragement. We are honored to have the opportunity to work with you.

SCORES Community Kindness Journals help students to think about and practice empathy, compassion, honesty, courage, enthusiasm, and responsibility.

With SCORES Community Kindness Journals your students will:

* Learn how they can be impactful in their day-to-day lives.
* See examples of acts of kindness on each journal page.
* Write about topics that are important to them and relevant to their lives.
* Express their feelings and opinions in writing.
* Write using descriptive and figurative language.
* Approach writing with increased enthusiasm and interest.

Thank you so much for your time and energy as you dive in to this journey of kindness to your community with your class. We hope it is a valuable experience for both you and your students!
