What Is Success?

Success isn’t having trophies or toys. It isn’t a medal or friends of your choice.

What is Success? That’s easy to see. It’s trying to be the best you can be!

Don’t worry what others may have or might say. When trying your best, Success comes your way.
Hard Work

I may be small. That’s very true. But I succeed, and so can you. I move a mountain, bit by bit. It takes hard work – I never sit. I work and work throughout the day. My work comes first before I play. Success is yours, please understand, when you and work go hand and hand.

Enthusiasm

I sing my song with joyful heart.
In your Success, joy plays a part.

Enthusiasm in your smile,
Combined with work, you'll find worthwhile.
The energy and pep you show
Will rub off on those you know.
Don't make excuses, complain, or whine.
Enjoy your work and Success you'll find.

Friendship

My friends are like a family.
I share with them. They share with me.
Respect your friends in all you do.
And they'll give back respect to you.
You'll find Success if this you learn:
The gift of Friendship must be earned.
To make a friend, I do believe,
That you, yourself, a friend must be.
“Be kind to others. To make good friends, be a good friend.”

Cooperation

I’m one of millions in our hive. It looks confused as we all strive. We buzz around throughout the day. Cooperation’s our sweet way. Work as one in all you do. When you help others, they’ll help you. Seek to know what someone needs. Then pitch right in and you’ll Succeed.

Determination

Patiently I wait and wait,
Knowing that a bug tastes great.
Wait I will ‘til a bug is mine,
Because Success, of course, takes time.
It’s Determination I must show
To get the bugs I need to grow.
So when a bug comes whizzing by,
I snap my tongue and good-bye fly.
DETERMINATION

“Mistakes are OK. Keep trying and trying and never give up.”

Draw a picture and write a short story about a time you showed determination. Keep trying until you succeed!
Confidence

Many are taller. Others run faster. To race with most would be a disaster. But I don’t care if they seem greater. I trust in me, the alligator.

My Confidence is plain to see. I have learned to trust in me. The Pyramid will teach you too.

Be Confident; believe in you!

The team comes first, I must confide.
I'm always eager to help the pride.
I'll sacrifice my own desires
And do for them what is required.

Your team is part of who you are.

But don't forget, the team's the star.
You help, support, and then you cheer it.
To find Success, show strong Team Spirit.
