

## **30TH ANNUAL GREATER OZARKS AUDUBON SOCIETY BIRD SEED SALE**

**November 20, 8:00 am—4:00 pm  
Valley Water Mill Park  
2450 East Valley Water Mill Road  
Springfield, MO 65803**

**Drive through the parking area's  
circle to pick-up seed orders.**

## **Pre-Order NOW! Pick-Up Saturday November 20**

This year we offer GOAS's familiar seed varieties to our longtime supporters. Single and blended seed selections are formulated to attract a wide range of species, including ground feeders: White-throated Sparrows, Juncos, Eastern Towhees, and those using feeders: Cardinals, Red-bellied Woodpeckers, Red-breasted Nuthatches, Purple Finches and more!

**Seed will be available in 50 and 25 pound bags for all but the  
GOAS Deluxe Blend and Nyjer Thistle.**

**This allows a higher value because price per pound  
of seed is lower in larger sizes.**

## **Don't Delay, Order Today!**

We must place the order with our supplier earlier than usual due to shipping delays and higher demand—more people than ever are feeding birds, and summer's growing season was affected by too much or too little rainfall and extreme heat.

***Mail Completed Form and a Check for the Total Order Amount  
To GOAS to arrive no later than November 10, 2021***
