DATE: Tuesday, September 29, 2020

TO: SAAS Association’s Program Chairs
    Executive Council
    SAAS Association’s Presidents

It's official, the 2021 SAAS Conference in Irving, TX has been re-scheduled to February 04 - 09, 2025, due to the continued effects of the pandemic. There will be no 2021 SAAS Conference.

With the help of Rick Connor, SAAS's Hotel and Venue Coordinator, and the Irving Convention and Visitors Bureau, SAAS was able to reschedule our meeting to January 31 through February 04, 2025 without penalty, and with only a small increase in the group room rate of $10 per night at the Westin. The Irving Convention Center at Las Colinas, the Westin Irving Convention Center Hotel at Las Colinas and the Texican Court Hotel were understanding and accommodating.

If you have any questions or need help with an individual association meeting, please let me know. Thanks for your patience and understanding. Stay safe and we will see you in Mobile in 2022.

Mark D. Legendre, Secretary/Treasurer
Southern Association of Agricultural Scientists
