REGISTERING TO VOTE

While same-day registration is available in Michigan, you may want to consider registering early to avoid long lines on election day!

In Michigan, you are able to register online or by mail up until October 19th. After this date, visit or contact your city clerk’s office to register. For more information, to register, or to check your registration status, visit the Secretary of State Voter Registration Website.

Don’t forget - if you have moved to a new city or township, you need to re-register to vote! If you move within the same city or township, you need to update your address with your city clerk.

Visit the Secretary of State Voter Information Website to find out who your clerk is and how to contact them.
VOTE EARLY DAY 2020

Vote Early Day is on October 24th, 2020! Avoid the long lines on election day by submitting your ballot early!

In Michigan, Early Voting begins on September 24th, and mail-in ballots need to be in the mail by October 19th. However, you can still vote early after October 19th by either bringing your completed ballot to your clerk’s office or filling one out there!

For more information, including State-by-State rules around early voting, visit https://www.voteearlyday.org/.

VIRTUAL VOTER REGISTRATION RALLY

Click this link to view a recording of the Virtual Voter Registration Rally we co-hosted with the Michigan State Department of Athletics for National Voter Registration Day on September 22nd.

This webinar includes input from Tom Izzo, Secretary of State Jocelyn Benson, East Lansing City Clerk Jennifer Shuster, Mel Tucker, and the MSU Men’s Basketball Team.
