KNOW YOUR VOTING RIGHTS

It is important to know your rights as you prepare to vote in the upcoming election!

If you arrive at the polls and are told you’re ineligible to vote, request a provisional ballot to complete and submit. If your mail-in ballot does not arrive in time, you can request a provisional ballot at the polls as well.

If the polls close while you are in line, stay in line - you still have the right to vote!

If you make a mistake on your ballot, you can ask for a new one! If the machines are down at your polling place, ask for a paper ballot.

All voters are protected from voter intimidation - if you are uncomfortable with something happening at the polls, call the election protection hotline at (866) 687-8683.
