STATE-BY-STATE VOTER GUIDES

Columbia Votes 2020’s State-By-State Voter Guides have been posted on our website!

Many students at Michigan State University have two legal residences - one on or near campus, and one in another state or county. While they may choose to vote in either jurisdiction, it is important that they have all of the information for any jurisdiction they may vote within.

For access to the voter guides and additional information, click [this link](#). If you are unsure of where you are registered, or if you need to update your voter registration, please visit the [Secretary of State’s Voter Information Website](#).
