Students with IEPS - Eligibility is determined at OneApp completion by EnrollNola.
*All publicly funded seats are based on eligibility, parent preference, and availability.

**Enrollment Criteria - Tuition Spots:**
A family should indicate interest to enroll at the ECC by contacting the center director. Enrollment availability for new students in the 2020-21 school year will be announced in March of the current year. Enrollment for new students is prioritized for children of ReNEW staff members, and siblings of currently enrolled families. If offered a spot, a family will have two weeks to confirm placement by completing the Family Information Form and by submitting a deposit. *Note: See below for subsidy information*

Tuition Schedule
A non-refundable check deposit is due by March 15th, 2020 in order to hold your child’s spot for the 2020-21 school year. After the deposit, the remaining cost of tuition is divided into eleven monthly payments from August 1st through June 1st. Your child will not be accepted at the center if payment is not received on time, and he/she may lose his/her spot in the program if payment is not received by the 5th of each month.

Tuition Discounts and Tuition Assistance
ReNEW staff members paying full tuition qualify for a $2,400 discount per year, per child enrolled for the full year. Staff members must enroll in autopay to qualify and payments follow a different calendar, as outlined in the document Tuition Payment Schedule for Staff. Staff members are not eligible for additional monthly discounts.

siblings of ReNEW students qualify for a $25 discount per month. If two or more students are enrolled at the center, the discount is applied per child.

Families who could qualify for CCAP are eligible for sliding-scale based tuition. Contact the Center Director for more information on CCAP and tuition assistance.

Before and After Care
Families have the option to enroll in Before Care and/or After Care. Occasionally there are early dismissal days for staff development, which are indicated in advance on the annual calendar. After care is not offered on early dismissal days.
Withdrawal Policy
The school calendar outlines built-in breaks for holidays and teacher professional development. The charge per month is the same for a month where there are no breaks, and a month where there is a week or more off for fall break, Mardi Gras break, etc.

If you wish to withdraw your child for any reason during the school year, you can do so by providing written notice 15 days or more in advance of your next tuition payment. If you provide notice within 15 days of the payment you will be responsible for the next payment. There are no refunds provided for withdrawals after May 15th, 2020. Your child will continue to have a spot at the center through the end of the month of your final payment.
