Dear Friend,

This past year, Humane Indiana Shelter & Adoption Center and Estelle Marcus Clinic serviced over 6,000 pets. We worked to find the best, custom care plan for every individual animal that entered our care. Together with your help, we:

- Placed thousands into adoptive loving homes
- Reunited lost pets with owners
- Altered community cats to reduce the local outdoor cat population
- Provided low-cost spay/neuter and vaccinations for qualifying owners
- Found rescue placement for pets needing extra time to recoup
- Assisted owners in need of safely reclaiming their pets
- Empowered owners in distress so families were not broken up in times of trauma

As we look forward to 2022, with hearts full of gratitude, we thank you for the support you’ve shown the homeless pets who have entered our shelter doors. Despite the challenges we’ve faced in the pandemic, it has been the generosity of supporters like you who have helped Humane Indiana make a strong and positive impact.

Will you consider making a donation to help the animals in need of our care—and looking for a place to call home? Your support makes all the difference.
