OBJECTIVE
Identify and negotiate the most important values to the group through a clustering exercise, using the Just City Index values as a foundation.

MATERIALS
Poster (24" x 24") // Post-Its // Sharpies or other bold markers // Just City Index

DURATION
30-45 minutes

GROUP SIZE
Up to 8 people

APPROACH

• 10 MINS | INDIVIDUAL VALUE GENERATION
  Ask individuals in the group to vote on the five values they think are most important in addressing the conditions of injustice at the site in question. Each individual should mark each value on a Post-It and place it on the corresponding section of the poster.

• 20-35 MINS | GROUP NEGOTIATION
  Identify areas of convergence and divergence, discussing and aligning on no more than 10 values that the group will prioritize to address conditions of injustice on the site moving forward. Circle or underline the final set of values on the poster itself.
