

~~25~~ 26 ADVANCED GUITAR CHORDS

Hey!

Here are 25 (well, actually I added a bonus one so... 26) of my favorite advanced guitar chord voicings.

These are chords you can substitute for the normal voicings of the chords you'd usually use.

I recommend trying these chords out by picking one of your favorite worship songs and substituting the chord voicings you usually play with these.

Note how the dynamics change.

Note how the feel of the song changes.

Then, you can start to pick and choose **where** to incorporate these unique chord voicings to drive the dynamics of the song.

It's all up to you to choose **when** and **how** to use these chords.

Just consider them as more tools in your musical toolbox!

If you want to see examples of how these chords are used, check out the "[Advanced Acoustic Guitar Worship Tutorials](#)," on the Leading Worship Well YouTube channel.

Enjoy!
