Speaking Topics

*Additional topics on web site and on request

From “Survivor” to “Amazing Race”

In this engaging and interactive workshop, explore practical and refreshingly unique ways in which you can transform your Board journey into an "Amazing Race" to translate vision into reality.

Engaged Board, Effective Fundraising

This interactive workshop takes the fear out of Board fundraising and gives Board members the tools they need to effectively generate the resources to ensure mission success.

Lead With Your Values

Leads teams to a deeper understanding of the personal and organizational values that frame their work and provides exercises for creating, reflecting on, and deepening these values in leadership and decision making.

Bio

Gregory Nielsen is a sought after speaker and Consultant committed to helping leaders and organizations translate vision into reality.

He is an accomplished nonprofit CEO, having previously led the Center for Nonprofit Excellence. His leadership was recognized locally and nationally, and honored with awards from the Better Business Bureau for Ethics and the Louisville Urban League for championing diversity.

Gregory is a military veteran, having previously served as an officer and attorney in the United States Army. He holds a Bachelor of Arts Degree in Government and International Relations from the University of Notre Dame and a Juris Doctorate from Notre Dame Law School.
