Any activity that brings people together and benefits your local area will capture the spirit of Green for Grenfell Day.

- You could team up with other local groups, schools or businesses if you need more help.
- Make sure the activity is accessible to everyone who wants to participate.
- Will you be fundraising for a local cause, such as buying equipment for a local community or voluntary group? Or will it be a hands-on project like organising a football game or hula hoop contest?
- Ask everyone to wear green!
- Share your stories and photos with us using the hashtag #Green4GrenfellDay or #GrenfellCommunityHero

**Green for Grenfell Day**

14 June will mark two years since the Grenfell tragedy. In the days after the fire, the Grenfell community came together in a great show of **unity and support**, and an enormous amount of support poured in from across the whole of the UK.

It’s this spirit of people coming together that we want Green for Grenfell Day to symbolise.

**14 - 28 June is Green for Grenfell Day.** We ask you, your communities and your schools to come together to promote unity, spirit and resilience by:

- wearing green
- working on a local cause or project in your area
- letting us know about it using #Green4GrenfellDay #GrenfellCommunityHero

**Join in**

To reflect the immense support we received following the Grenfell tragedy, we want people across the UK to celebrate solidarity and diversity within their own communities by working together on a project of their choosing.

You could organise or participate in:

- painting your local community centre
- planting in a communal garden
- organising a community picnic or barbecue
- organise a coffee and cake morning
- playing a 5-a-side football game
- washing windows
- decorating a classroom
- buying from a local business
SAVE THE DATES - Hold a Green for Grenfell day

Green 4 GRENFELL Day

between 14th-28th June 2019

More information and E-Pack soon from the DfE bulletin Grenfellunited.org/GreenForGrenfell
Outline for Green for Grenfell day for schools:

**When is it?**

Schools are asked to mark their Green for Grenfell day within the two week window between the 14th - 28th June 2019

**What is it?**

Green for Grenfell day has two main purposes;

1. To remember those lost or affected by the fire, the largest loss of life as a result of a fire since World War Two.
2. To celebrate the community and recognise those people who are the unsung heroes or good neighbours within our communities. This is recognition of the thousands of volunteers and good neighbours who helped those affected in the early days, and continue to support us.

Schools can choose from a variety of ways to mark their Green for Grenfell Day. Here are some ideas:

- Green Mufti Days
- School/Community Planting Days
- Green Themed Cake Sales
- Green Themed Craft Day
- Sing the Grenfell song that [Cornwall Hugs Grenfell](https://www.grenfellunited.org.uk/greenforgrenfell) created with survivors and bereaved

The idea is that all funds raised through these activities go towards local projects or initiatives. The aim is to work together to build better communities, and reinforce the idea of helping others locally.

To support schools in their Green for Grenfell Day activities, we have included an E-Pack shared to all schools through the DfE E-bulletin route.

**What does the E-Pack include?**

- Assembly Template Slides - these can be tailored to be age appropriate. Last year, some schools explored the following themes:
  - What it is to be a neighbour in the 21st century
  - What it means to ‘be the change you want to see in the world’
  - Housing issues and differences
  - What the differences are between pity, compassion and empathy and how to turn those into action.
- Art Activity - Grenfell Community Hero Heart Template
  - Getting children to explore why the green heart was used to represent Grenfell; signifying love, caring, volunteering, support, hope, future, once themes discussed. Children asked what those things mean to them and who in their community encompass these qualities, to nominate their community hero and decorate their heart and submit their entry. Schools to select winner and award badge and certificate to community hero.
- Link to request your [Grenfell Community Hero badge and certificate](https://www.grenfellunited.org.uk/greenforgrenfell).
- Templates: Letter for parents, Posters for schools to publicise event, Template wording for social media - we ask schools to share their Green for Grenfell day activities on social media using hashtags #Green4GrenfellDay and #GrenfellCommunityHero
Dear School,

Friday 14 June will mark two years since the Grenfell tragedy. In the days after the fire, the Grenfell community came together in a great show of unity, and an enormous amount of support poured in from across the whole of the UK.

We want to celebrate the spirit of people coming together. Between the 14th - 28th of June we are inviting schools across the country to join us in supporting Green for Grenfell Day.

To join in, children can:

• wear something green to school
• help with a school project or local cause
• let us know about it using the hashtags: #Green4GrenfellDay or #GrenfellCommunityHero

Between the 14th and 28th of June we will be holding our own community days to reflect the immense support we received after the fire. We want to spur people across the UK to celebrate solidarity and diversity within their own communities by working together on a project of their choosing.

You could organise planting in the school garden or gather donations for your local food bank – any activity that will benefit your school or local area.

You can download an information pack from our website, which has lots more ideas to help you join in: www.grenfellunited.org/greenforgrenfell

We hope you and your child or children will join us in promoting unity and community spirit between the 14th and 28th of June and tell us about it using the hashtags: #Green4GrenfellDay or #GrenfellCommunityHero

Yours sincerely

The Grenfell Community
Dear Parent,

Friday 14 June will mark two years since the Grenfell tragedy. In the days after the fire, the Grenfell community came together in a great show of unity, and an enormous amount of support poured in from across the whole of the UK.

We want to celebrate the spirit of people coming together. Between the 14th - 28th of June we are supporting the UK-wide Green for Grenfell Day.

Green for Grenfell Day aims to spur people across the UK to celebrate solidarity and diversity within their own communities by working together on a project of their choosing.

On

Will be hosting

We hope you and your child or children will join us in promoting unity and community spirit between the 14th and 28th of June and tell us about it using the hashtags: #Green4GrenfellDay or #GrenfellCommunityHero

Yours sincerely

and the Grenfell Community
