Water Polo
Congratulations

North West dominated at the Inter regional girls 2000+ finals at Liverpool this weekend. Here are some photos of the Warrington girls at the tournament, NW lightening won and NW Thunder came second which was a great result for NW quite clearly the strongest region in the UK. Katie and Emma played for Lightening and Emily played for Thunder. Molly still had hamstringing problems and so had to remain poolside as assistant to Team Manager. Great for Warrington that we have so many girls shortlisted for this event. Well done girls, doing the club proud
