

FALL SUNFLOWERS

Lesson of the Day:

Always bring a good attitude to whatever is in front of you! If you have a bright, fun, sunny attitude whenever possible, you will make the world a better, more fun place for everyone around you. The more positivity we put out into the world, the better the world will be!

Materials:

- Paper plate
- Sunflower seeds
- Yellow paint
- Green construction paper
- Craft stick
- Green markers
- Scissors
- Glue

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students cut the edges of the paper plate to resemble flower petals.
3. Have students color the craft stick green.
4. Have students cut leaves out of green construction paper.
5. Have students glue the craft stick to the back of the sunflower and the leaves to the craft stick.
6. Have students paint the paper plate yellow.
7. While the paint is still wet, have students stick the sunflower seeds to the center of their sunflower.
