

HANDPRINT FLOWER POTS FOR MOM

Lesson of the Day:

Tell your mom you love her every day! Make sure she knows how grateful you are for everything she does for you. Remember how much she takes care of you and think of all the things she does to help you and take care of you. Be thankful!

Materials:

- Colorful construction paper
- Green paint
- Markers
- Pencil
- Scissors
- Glue
- Decorations

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have the students put two green handprints next to each other in the center of a piece of colorful paper.
3. While the paint dries, have them cut out ten flowers and a paper pot.
4. When the paint dries, have them glue the flowers onto the fingertips of their handprints and the pot covering the base of their palms.
5. Have them decorate their flowers.
6. Have students write, copy down, or trace one of the reasons they love their mom.
