

PEACE WREATHS

Lesson of the Day:

What is a community?

To have peace everywhere in the world, we all have to work together as one big group, as a community.

That means we have to work with lots of different people who are the same as us and also people who are different from us. We have to be kind to everyone as best we can.

Materials:

- Construction paper (various colors)
- Scissors
- Glue

- Earth coloring page
- Crayons/Markers/Colored pencils

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have students trace their hand on a variety of different colors of paper. They can be many different shades of brown, or all colors of the rainbow. Have them cut out their hands.
3. Have students glue these hands overlapping in a circle.
4. Have them color and cut out a picture of the planet Earth.
5. Have students glue the Earth picture in the center of their wreath of hands.
