

# FINGERPAINTED WISH

## Lesson of the Day:

You can make your wishes and dreams come through with your own two hands. Don't wait for others to do it for you or rely on other people. You can do it yourself! If you need help, don't hesitate to ask, but you have the power to make things happen and make your own dreams come true.

## Materials:

- Template

## Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Give kids paint and the template. Have them use their fingers to paint the seeds of the dandelion and make it colorful. They simply dip their fingers in the paint and then dot their fingers on the ends of the seeds.
