

SUNSHINE PLATES

Lesson of the Day:

“You are my sunshine!” When someone is feeling down, being nice and kind to them really helps. Make this bright sun and look at it whenever you feel down and tell others that they are your sunshine too!

Materials:

- Paper plate
- Yellow construction paper
- Scissors
- Glue
- Black markers

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Have kids color their paper plates yellow and draw a face with black marker.
3. Have them trace their hand several times on yellow paper and cut them out.
4. Have them glue their handprints to the back of the paper plate.
