

TOILET ROLL ROCKETSHIPS

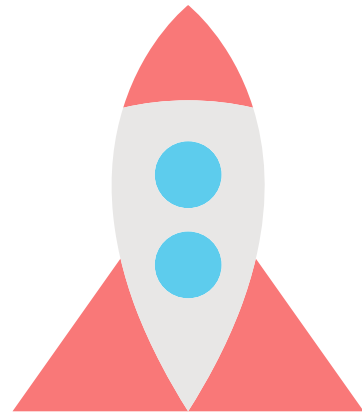

Lesson of the Day:

Shoot for the stars! No one ever changed the world by giving 50%. Always put 100% of your effort into everything you do and see what new heights you will soar to and where your hard work will take you!

Materials:

- Toilet roll
- Construction paper
- Tape
- Scissors
- Tin foil
- Markers
- Tissue paper

Instructions:

1. Discuss the lesson of the day with your students. Talk about what it means to them.
2. Wrap the construction paper around the toilet paper roll and tape it in place.
3. Decorate with markers and tin foil as desired.
4. Add construction paper fins and a cone to the top of the rocket.
5. Add tissue paper “fire” to the bottom of the rocket showing it shooting off into the stars
