How to Register to Vote!

There are two ways to register to vote. You must register before 26 November 2019.

1. Register to vote online

Go to [www.gov.uk/registertovote](http://www.gov.uk/registertovote). It takes 5 minutes to fill out the online application!

2. Register to vote with a paper form

First, fill out the paper form with your information.

You then have to post or take your completed form to your local electoral services office in your Council. You can find out where this is at [www.electoralcommission.org.uk/i-am-a/voter/your-election-information](http://www.electoralcommission.org.uk/i-am-a/voter/your-election-information).

When you have registered to vote, you will receive a polling card to your address. This will give you all the information about how to vote on 12 December!
