

The Gospel "the Good News" is the first 4 books in the New Testament (Matthew, Mark, Luke and John) that cover the life and ministry of Jesus Christ.

Key Features: You are only required to read one chapter a day. Understand the big picture as you read whole books rather than verses by themselves.

Challenge: After the daily reading, write down 1 thing you've learned about God. and how it will change the way you live. This will allow you to be intentional in your reading rather than speeding through and forgetting what you've read.

* The goal isn't to check off each day. The goal is to grow in your knowledge and understanding of the Bible as well as to grow your faith in God. * bit of body text
