New Business

Approval of agenda
Julie made the motion to approve the agenda, Mike Wacker seconded it, motion carried.

Review and Approval of October 2021 Minutes
Elizabeth updated the minutes to reflect that Denise had mentioned that there are several thousand dollars left over in the $115 campaign. Elizabeth asked Mike M a question, and corrected the minutes to reflect Mike’s explanation. Eric made the motion to approve the Minutes as corrected, Traci seconded, motion carried.

Foundation Report -attached
Denise read the Foundation report. There is a balance of several thousand dollars on the $115 campaign for window inserts. The Commission brainstormed and provided Denise with options for that money, asked her to approach the Foundation and see if any of them had more appeal than others. Denise also responded to Eric’s inquiry and said that the Foundation has not acquired any new members in the past month.
**Director’s Report - attached**
Cal read the Director’s report. Cal has decided to go to winter hours beginning Nov 20th. He has the Commission’s support.
Cal also asked if we should move forward with the Volunteer Appreciation party, the Commission agreed it was a good idea, Cal will proceed.
Cal would like to have a barn clean up day this early winter. He also asked after the status of the repair work in the SQ upstairs closet. Eric said he would look at the closet.
Cal also reported that he was contacted by someone who wanted to donate a thousand dollars.

**Financial Notes and Treasurers Report-attached**
Interest rates are low. We are getting very little return on our money. Admissions are up over 2020. Mike doesn’t have any major concerns regarding our financial picture.

**Mike Wacker’s continuation**
There was a consensus to ask Mike Wacker to continue to serve on the Commission.

**OLD BUSINESS:**
Wireless upgrade and camera install has been moved off of our to-do list for the time being.
Volunteer Policy - Elizabeth will work with Julie directly until there is something to present to the Commission.

Wagon Building tarping: conversation about tarping the wagons for the winter to provide protection. The Foundation has decline to pay for the tarps. Eric and the Griffiths looked at the Wagon Building and believe tarping will work, maybe a partial tarping is all that is necessary. Commission agrees to move forward with tarping. Matthew Klebes will manage the project with an eye on expenses.

Wagon Building expansion: Eric and the Griffiths surveyed the wagon building. Kurt Griffiths (member of the public) feels that the existing three walls are essentially solid, and did not see any structural issues. Kurt thought we might consider adding a header, which would allow the removal of some vertical posts. Eric will provide sketches based on his conversation with Kurt for our next meeting.

2022 Gala: Dawn Rassmussen, member of the public, has a background in event management and has offered to assist. Elizabeth asks for clarification about the frequency of such an event. Cal estimates that we could have 100-175 people. Conversation about venues ensues. The Commission agrees that the Gala is a semi-formal event with live and silent auction components. Denise would like to ask
Dawn for an estimate of how many hours of group effort would go into creating such an event.
The Readiness Center, the Civic ballroom, and the Discovery Center are the preferred venues. Attendance goal is 175. Mike W mentions that we might be able to leverage some of Loyal’s contacts in South Wasco Co. Denise recommends in-kind donations and approaching the cruise ships.
Cal mentions that while he supports the Gala, he has to remain focused on the Museum.

Meeting adjourned at 7:05 pm
A report taken from the daily logs for the month of October 2021:

Admissions collected in October: $928.00
Cruise Ship admissions in October $2,365.00
Friendship renewals for October: $ 0.00
Donations: $414.00
Total Volunteer Hours for October: 96 hours

The Cruise Ship Season is slowing down. We still have at least two more Empress stops on the Schedule.

I would like to talk to about:
Winter Hours
Museum Christmas Party
Half Day Barn cleanup
Upstairs Closet Ceiling Repair

I am working on the Newsletter and on the Membership Renewal process. I want to get these out as soon as possible so that memberships are available as Christmas gifts.

I continue to make my monthly visit to Al Wynn’s Coffee Break on the second Tuesday of the month. Now that I will have more time to spend out in the community I plan to make myself available to speak at different service clubs and businesses in the area to promote Fort Dalles Museum memberships as well as it being a great place to visit. Let me know if you know of a group that might be interested.

Respectfully Submitted

Notes for Museum Financial Statements as of October, 2021

These amounts are pre-audit and closing processes are still occurring. The amounts are subject to change. This is the 4th fiscal month of the 2022 fiscal year – as such, the straight-line budget execution is 33.3%.

Revenues:

- Beginning fund balance revenues are not final yet but should not be changing – represents a $13K decrease in fund balance
  - $12,500 from The Dalles decreased the loss experienced; another $12,500 came from Wasco County to further offset the losses (see below)
- Interest is down – LGIP is 0.45% annual rate currently
- Wasco County transfers are in at 100% - includes the additional added in the budget process to assist in the COVID response.
- The Dalles is on track for payments –
  - The Dalles budgeted amount includes $12,500 that was actually paid in last fiscal year. This will change the expected amount for FY22 to be $22,500 instead of the $35,000 budgeted
- Admissions are up but that is mainly due to being closed last year at this time.
  - The budget has already been exceeded which is great, although the budgeted amount was not much. Prior years have approached $30K annually so on that basis the budget execution is 16.7%
- Memberships are low, but this is expected
- Donations of $3,131 exceeds the estimated planned amount
  - In the last report, this was higher as the contribution from The Dalles was recorded here – this has been fixed.

Expenses

- Personnel costs are over the straight-line rate due to overtime, also more than last fiscal year at this time. Part of this is the increased pay rate done when the salary matrix was adjusted for many employees of the County.
  - At 32% execution, straight-line is 33% so right at expectations
- R&M costs are not linear, but the amounts in R&M Equipment should be watched
- No concerns in Capital or Contingency

Summary

At this point, the Museum is $13,494 ahead of last fiscal year in total. The financial picture is improving over last fiscal year – actually being open tends to do that…
