SCHOLARSHIP OPPORTUNITIES for Quad Cities Students

OVER $500,000 TO BE AWARDED TO QUAD CITIES STUDENTS. WILL IT BE YOU?

The Quad Cities Community Foundation will award over $500,000 in new scholarships to more than 75 Quad Cities area students.

Am I eligible?
Our scholarship criteria are very diverse. Many scholarships are available both to high school seniors and people who have already graduated from high school. Some are one-time awards and others are renewable for up to four years. Award amounts vary from $500 to $10,000.

All applications are accepted online only. Due dates for all components of scholarship applications are located on the back panel. Late applications are never accepted.

How to apply
The application process is simple.
Go to the Scholarships page on our website.
Browse scholarship listings organized by financial need or other criteria.
Click the APPLY NOW button to create an account and complete the application. Based on your responses to the questions, the system will automatically show you all the scholarship applications for which you are eligible.
