Jesus is the Example – and _____

Saved from a wasted life and judgment

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him.

Whoever believes in him is not condemned.

John 3:16-18

Getting Started

What are you doing to make Holy Week special?

Sunday's Message

Review the main points of the sermon together. What was most important to you personally from the message? What raised questions or ideas you would like to discuss?

Have you ever been swept up into mob mentality?
Was it for good or bad? What would you do differently?

Which is more effective: Demanding people follow you, or providing an example for others to follow? Why?

Many feel America is lost and directionless spiritually and morally. How do you think we arrived at this state of "lostness"?

If it takes as little as 5% to influence the direction of society, what should active, committed Christians do differently?

Going Deeper

James 1:13-15 speaks of the danger and dead end of temptation. **1 Corinthians 10** is all about temptation – being influenced by the world around us toward sin. If you really want to go deeper, read the chapter and figure out the temptations and Paul's advice. Or, focus in on **1 Corinthians 10:6-13**, what are the key warnings, and the word of hope?

What steps away from God are most tempting to you?
What are you surrounded by which is against God's way?

How can you avoid temptation?

Application

How can you flee from temptation, and follow the Leader this week?
