Producing More Electricity with Solar Cells and Solar Panels
Answer Sheet Student Activity - Exploration Part 1

1. Voltage for one AA battery __________

2. Current for one AA battery __________

3. Voltage for two AA batteries in series __________

4. Current for two AA batteries in series __________

5. Voltage for two AA batteries in parallel __________

6. Current for two AA batteries in parallel __________

7. __Yes / No , Explain __________________________________________________________

8. 

9.
