St. George’s Episcopal Church is committed to providing a hot nutritious breakfast to anyone in need during this difficult time. In our efforts to prevent the spread of COVID-19 in our community, we will provide bagged hot meals only, handed to you outside of the church. Our staff and volunteers are taking safety precautions as outlined by the CDC and DC Department of Health protocols to ensure we follow best practices for food preparation and distribution. We will follow this modified version of our breakfast ministry until further notice, every other Saturday. Our next scheduled breakfast is on:
