PROJECT COORDINATOR
Job Description

In partnership with community stakeholders, Park Central Development works to strengthen and attract investment that creates and maintains vibrant neighborhoods and commercial districts. Formed in 2009, Park Central Development delivers streamlined services to serve ten focal neighborhoods (Academy/Sherman Park, Botanical Heights, Central West End, Cheltenham, Forest Park Southeast, Fountain Park/Lewis Place, King’s Oak, Midtown, Tiffany and Vandeventer) in the Central Corridor of the City of St. Louis. Park Central Development’s goal for its neighborhoods is that they become the premiere urban communities in the region. The Project Coordinator is a temporary part-time contractor position from September 2020 to January 2021 (approximately 25 hours per week) responsible for coordinating projects related to our financial assistance programs for individual and family needs in the neighborhoods we currently serve with neighborhood-based community resource counseling. Although the Central Corridor has seen an upward growth of private development and investments in the recent years, there are still many families and seniors in need who reside in our neighborhoods that lack the access and connections to resources to address their daily needs. The Project Coordinator will work to provide financial assistance to existing residents so they are able to stay in their homes and benefit from the developments by connecting them with critical services, such as housing, employment opportunities, emergency utilities assistance, transportation, childcare, and other immediate needs. This position reports directly to the Executive Director.

Responsibilities and duties:
• Create communication materials for program and manage social media communications for program outreach.
• Connect with other organizations and groups in the neighborhood to recruit residents for programming and for referral purposes.
• Provide intake and evaluation of individuals and families who are in need of additional support services; and create action plans based on needs, outlining a plan to address identify issues with the potential services and resources.
• Coordinate with local social service providers and community advocates in the targeted neighborhoods in need of supportive services.
• Establish and manage relationships with potential home repairs contractors.
• Track financial disbursements and complete funding reports related to financial assistance programs.
• Other assignments as assigned.

Qualifications and required skills:
• Bachelor’s Degree in Social Work, Non-Profit Management, Psychology or related field or 2-years of college with 5 years’ experience working with communities and/or groups of people
High level of comfort dealing with a diverse group of community stakeholders
Strong ability to work with peers and be a team player
Excellent written and oral communication skills
Excellent follow-through and reporting
Detail oriented, ability to multi-task and bring projects to completion in a timely manner
Passionate about working in the City of St. Louis and seeing its neighborhoods succeed
Strong MS Office skills with working knowledge of Outlook, Word, Excel and PowerPoint

DEADLINE: Friday, August 28th, 2020
