COVID-19 Commitment Statement

Momentum Stage is committed to best practices in art creation and education. That includes acknowledging and caring for the health and safety—physical, mental, and emotional—of our community.

As such, we have moved all of our classes and events online as of March 14, 2020. We will continue to provide these virtually until it is safe to gather in person.

In order to gauge that safety, we are following, and recommend to our community,
- APAP Reopening Resources
- Event Safety Alliance Reopening Guide
- International Performing Arts Aerosol Study
- Local, State, and Federal Mandates and Recommendations
- Return to Dancing Recommendations from Dance/USA
- SDC Union Recommendations

Even when we are able to gather in space together again, we are committed to continuing to offer quality resources, classes, and discussions for our virtual community. We are thrilled to be part of an international discussion on creating better art, and will continue to serve our constituents around the world.

If you have any questions about this statement or the plans for Momentum Stage, please contact Nicole Perry at info@momentumstage.org.

In the meantime, please wear a mask, wash your hands, and keep learning and creating! Thank you for your interest in and support of Momentum Stage.
