HOME FOR THE HOLIDAYS Guide
Welcome to Waynesboro

Coming Home for the Holidays has been a longstanding tradition for many. Whether you are visiting around Thanksgiving, Christmas, or New Year’s Eve, the charming towns that make up the greater Waynesboro area are filled with sparkling lights, holiday decorations, quaint shops, art galleries and markets.

In addition to small-town traditions, family gatherings and the bustle of Main Street, the town is filled with holiday activities for the whole family to enjoy. We hope you enjoy our first Home for the Holidays Guide and take advantage of all the wonderful events, local shopping, restaurants, and libations that the greater Waynesboro area has to offer this Holiday Season.
When you support a local business, you are supporting your family, friends, and neighbors. More importantly, you are strengthening our economy and securing the growth of our community. Remember, for every dollar you spend at a local small business, 64 cents stays in our community.

Many of our Chamber businesses are still recovering from the impact of COVID. Make it a point this holiday season to eat, drink, shop and stay local. Our small businesses are the backbone of this community and deserve our support.

OLDE TYME CHRISTMAS
at Renfrew

MIDCENTURY CHRISTMAS
Presented by Dr. Leslie Goddard, Ph.D.
Tuesday, November 23rd
7pm

Kick off the holiday season with Renfrew as we remember back to the era of our last private residents, Edgar and Emma Nicodemus!

Christmas in America from the 1940s through the 1960s meant aluminum trees, department store Santas, and cartoon specials on TV. Every kid in the suburbs had to have an Easy-Bake Oven, a G.I. Joe, or a Slinky. The coolest houses had rotating color wheels for their trees.

Historian Leslie Goddard explores this optimistic era in a new illustrated lecture, using photographs, advertisements, greeting cards, and catalogs to explain why this era was such a turning point for how we celebrate the holidays.

Two ways to attend:
Online Via Zoom; In-Person Watch Party at Renfrew (Limit 30)
$5 per person / Free for Friends of Renfrew Members

CHRISTMAS ON THE FARM

Rediscover the simple joys of Christmas past at Renfrew Museum and Park this holiday season! “Walk Back In Time” through over 200 years of celebration at our annual Christmas on the Farm event. Follow the soft glow of flickering lanterns and the fiery blaze of torches to the beautifully decorated Museum House where you’ll encounter how treasured traditions evolved over the centuries.

FARMSTEAD TASTE & TOUR
Tuesday, December 7th | Friday, December 10th
Tuesday, December 14th | Friday, December 17th
11am – 2pm

Treat yourself or someone special to a delicious farm-to-table dining experience at Renfrew Museum and Park. Our Farmstead Taste & Tour program offers guests the opportunity to sample seasonal, locally sourced fare inspired by the traditions of our historic Pennsylvania German farmstead.

Your meal will be hosted in Renfrew’s Wagon Shed Room inside our converted Victorian barn. Servers dressed in authentic early 19th century period clothing will wait upon you with old-fashioned hospitality.

Start with a hearty coursed meal of salad, soup, and a selection of fresh-baked breads accompanied by Dutch Valley preserves and creamy, churned butter followed by a trio of sandwiches. After lunch, enjoy a tour of the farmstead outbuildings and 1812 stone Museum House, then return for a scrumptious dessert. Our menu changes seasonally and reflects the rhythms of life on the farm.

Produce is sourced from Greensburg Farms, Hagerstown, MD and prepared by our friends at Keystone Family Restaurant, Waynesboro, PA. Reservations are sold by the table in groups of 2, 4, or 6 guests.

HISTORY OF LUMINARIES
Simple, folded brown bags filled with sand and lit by votive candles are particularly popular in the Southwest. Dating back more than 300 years, the tradition of luminaries comes from Mexico. It has been celebrated for many years in New Mexico before spreading to communities throughout the United States, Canada, and Europe. The Pueblo Indians in New Mexico have long lit small fires outside their homes to light their way to church on Christmas Eve.

Come view our own Waynesboro Luminaries provided by the Waynesboro Lioness Lions Club located on the steps leading to Bourns Cabin across from CVS.

November 26th - 28th | All weekends throughout December
**HOLIDAY Traditions**

12 DAYS OF CHRISTMAS

Even though most hear the song between Thanksgiving and Christmas Day, the Christian 12 days of Christmas, which span the birth of Jesus and the visit of the Magi, actually take place December 25th to January 6th. The earliest version of the poem-turned-song is thought to have been published in Mirth Without Mischief, a children’s book from 1780, with the modern version credited to English composer Frederic Austin who set the poem to music.

Each year the PNC Christmas Price Index totals up the total cost of the 12 gifts named in the song based on current markets. In 2019, everything from a partridge in a pear tree to 12 drummers drumming would run up a bill of $38,993.59.

The winter solstice is the longest night—or the shortest day—of the year, and falls on December 21st this year in the Northern Hemisphere. Since ancient times, people all over the world have recognized this important astronomical occurrence and celebrated the “return of the sun” in a variety of ways. After the solstice, the days get gradually longer.

The Institute’s solstice event is a family-friendly celebration of the season, and features winter folktale storyteller Bruce Rowland, hands-on solstice activities for children including making garlands of popcorn and berries and edible ornaments for animals, live music, fire-pit warming stations, and hot chocolate stations. Members of the Tri-State Astronomers club will be on hand with telescopes to safely observe the solstice sun. After sunset, there will be opportunities to view the celestial features of the winter sky. Vendors and specific details can be found on the Institute’s website.
