Experience It! The Ryman Auditorium

The “Mother Church of Country Music,” the “Carnegie Hall of the South,” the “Soul of Nashville”...welcome to Ryman Auditorium, a 2,000-plus seat venue in the heart of Nashville with a history as deep as country roots. Named for its founder, a wealthy riverboat owner, the Ryman first opened its doors in 1892 as the Union Gospel Tabernacle, but what many folks don’t know is that the Ryman was the original home of the Grand Ole Opry. In fact, the Opry’s formative years were spent on Ryman’s stage, having featured the debuts of music titans Earl Scruggs and Hank Williams, and hosting the very first meeting between Johnny Cash and June Carter. Even Patsy Cline became a member of the Opry at the Ryman in 1960. And while the Grand Ole Opry has lived at a new venue since the seventies, the Ryman remains a vital music venue on the Nashville circuit, and is a designated National Historic Landmark thanks to its pivotal role in the popularization of country music. See it for yourself when country music comes to life in the Ryman’s exhibit, “The Soul of Nashville,” and let the Mother Church move you!

**The Grand Ole Opry may move to the Ryman Auditorium during the months of November and December and throughout the year during special events.**

**Your hotel in Oxford, Mississippi does not have porterage service so you will need to manage your luggage to and from your room.**

**The overall activity level of this tour is a level 2.** This means you like a balanced approach to travel. Walking two to three miles over the course of a day is no problem for you. You can partake in a two-hour leisurely walking tour, covering up to two miles (with included breaks). You can handle a variety of terrains, from cobblestone streets to moderate hills with relative ease and without assistance. During the one-hour walking tour of New Orleans’ French Quarter, you will need to walk over uneven, bumpy sidewalks. You can climb two flights of stairs with ease. There will be no porterage service at your hotel in Oxford, so luggage will need to be managed independently in and out of the hotel. Expect some full days balanced with free time to recharge or set out on your own adventure. You can handle altitudes up to 6,000 feet. While this level is appropriate for travelers that require mobility assistance devices, there could be times when you may have to sit out on some of the included activities.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention. Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline’s terms and conditions.
