FAST START DETAILS

If you have a prospect or customer who you know wants to build a business, enroll or upgrade them to a Brand Partner.

Here are a few details to help clarify the Fast Start Bonuses:

- The Fast Start Clock starts ticking when a prospect or customer **ENROLLS** or **UPGRADES** to a Brand Partner.
- When a Customer Upgrades and becomes a Brand Partner, that is their official “Day 0” of Fast Start. NOT the day they first ordered as a Customer or signed up as a Customer.
- When a Customer makes a purchase **BEFORE** they Upgrade to a Brand Partner, that purchase does **NOT** count towards their Fast Start volume qualifications. Previous purchase volume / commission is calculated and paid out via the customer pay plan.
- What counts: Enroller Tree volume from referred customers and newly enrolled Brand Partners after the clock starts. Your Enrollment purchase volume counts and any product purchase after Enrollment / Upgrade counts toward Fast Start achievements.
- Volume Reset: Every month, the Volume and Active Enrollments (AE) reset and the Brand Partner must meet the Volume requirements and AE requirements to qualify for the Fast Bonus.
- FAST Start is part of the Purium Compensation plan and available for U.S./Canada Purium Brand Partners only GO FAST Bonuses are part of the PHE Compensation Plan and available for Platinum Health Europe Distributors only).
- Must have an **ACTIVE** Smart Order on file to earn Start Bonuses and Matching Bonuses.
