GREENVILLE HOMELESS ALLIANCE
VALUES STATEMENTS

What do we want people to think of when they think of GHA?

EQUITY
We strive to recognize and dismantle biases and discrimination in ourselves, our organizations, and our community. Fair access to safe and affordable housing for people experiencing homelessness benefits everyone.

INTEGRITY
We do what we say we’re going to do. We treat individuals and organizations with respect, and we work to build and strengthen mutually trusting relationships.

INCLUSIVENESS
We recognize that everyone is part of the solution, and everyone can contribute if engaged, informed, and mobilized. We know that our strength is in our diversity, and we honor the value of every human being.

PRAGMATISM
We take a clear-eyed look at both short-term and long-term goals, striving for the best outcomes. Homelessness is complex, as is supporting the wide range of stakeholders.

COURAGE
We don’t shy away from difficult conversations, because we know that acknowledging and exploring differences is the only way to gain consensus. We aspire to be a collective voice for people experiencing homelessness and for those working to eliminate homelessness.
