PUBLIC NOTICE

The Shelby County Groundwater Quality Control Board (Board) has prepared draft revisions to the Shelby County Well Construction Code (Code) and has released the proposed revisions for public comment. Copies of the draft revisions can be downloaded from;

http://shelbytnhealth.com/161/Pollution-Control-Programs

scroll to the Water Quality & Septic Tank Program on left sidebar and open Water Well Rules and Regulations.

Copies of the revisions are available for review in the Pollution Control Section Office at 814 Jefferson, room 438, during normal business hours. Interested parties are encouraged to review the draft rules and provide written comments. For consideration, all written comments must be received no later than 4:30 p.m. on April 24th 2020, and should be addressed to:

Shelby County Health Department
Attn. Mr. Robert Rogers
Technical Manager
814 Jefferson Rm 437 E
Memphis TN 38105
Or
Bob.Rogers@shelbycountytn.gov

The Board has directed the Department to schedule a public hearing to receive verbal and written comments on the draft revisions. The hearing will be held March 16th, 2020 at the Benjamin J. Hooks Library at 3030 Poplar from 6:00 p.m. to 8 p.m.

After the close of the public comment period on April 24th, the Board will schedule a meeting to consider the comments as they relate to the proposed revisions. The Board meetings are open to the public and a public notice will be issued for that meeting at least 10 days in advance.

Individuals with disabilities who need assistance to review the draft or attend a public hearing should contact the Pollution Control office at (901)222-9599 to discuss any auxiliary aids or service required. Such contact should be made no less than ten days prior to the need for such aid or service.
