SCALE
Vertical Scale 1' = 40'
Horizontal Scale 1' = 400'

LEGEND
• Well Screen Interval
▼ Measured Groundwater Elevation
▼ Estimated Groundwater Elevation
— Interpreted Geologic Contact
—— Transitional Geologic Contact
*** Interpreted Geologic Contact
Loess Consists of Silt and Clay Deposits
Note: All water levels from 01/15/2001 sampling event
* STB-00 (10/19/2003) is estimated from borehole data
