

## PHI KAPPA TAU GOOD SAMARITAN POLICY

The Phi Kappa Tau Fraternity has two Good Samaritan policies, one for individual members and guests and another for the chapter itself. This policy was adopted on December 11, 2018, by the Fraternity's National Council.

### **Phi Kappa Tau Policy: Individual**

- If a member assists another person, or himself, in obtaining immediate and appropriate medical care related to the use or consumption of alcohol, other drugs, or to another medical emergency, then that member, as well as those who are assisted, will not be subject to individual disciplinary action with respect to the incident. This is the case even if the member who is assisting was a contributing factor to that emergency. An individual may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.

### **Phi Kappa Tau Policy: Chapter**

A chapter that seeks immediate and appropriate medical assistance for a person in need related to the use or consumption of alcohol, other drugs, or to another medical emergency, may be eligible for mitigation of charges related to violations of organizational policies. To be eligible for this potential mitigation, the chapter will be required to meet in person or by phone with a national staff member or an alumni volunteer designated by the fraternity. A chapter may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.
