Pull Up @

FRIDAY, JAN 27, 2023
FROM 4 TO 6 P.M. (PT)

Do you need a safe place to come and sit, watch the coverage, speak openly, and Zola up on each other?

A place that feels like "home" - where you can be in community with other Black folks and you can both give and get support?

THEN COME BY THE PULL-UP!

If you identify as Black and can relate to the joy and the pain of that experience...then join us!

Get connected with others who get it, who get you, where you don’t have to explain.
