Thank You For:

- Improving Education Results
- Increasing Financial Stability
- Promoting Healthy Behavior

**Early Grade Literacy Program:** United Way of the Inland Valleys has partnered with local community centers to bring an early grade reading program to low income families. Students utilize a computer-based program designed to develop and improve their silent reading fluency, comprehension and vocabulary. In addition, the content difficulty and duration of activities is based on the student’s response so that they are able to proceed at a pace that corresponds to their reading skill level. The program is currently in its second year and more than 130 students have had the opportunity to utilize and improve their reading proficiency.

**GEMS (Girls Excelling in Math with Success):** Through a grant from Edison International, United Way of the Inland Valleys has partnered with Moreno Valley Unified School District, Perris Union High School District, and Val Verde Unified School District to bring a science, technology, engineering, and mathematics (STEM) program to middle school girls. GEMS is a dynamic program designed to help young girls not only improve their knowledge in mathematics, but also become more passionate about coursework in the area of STEM.

**FIT ACADEMY - Financial Independence Training:** Sponsored by the Foster Youth Financial Action (FYFA) Collaborative of the United Way of the Inland Valleys, this program offers financial literacy training to current and former foster youth ages 18-24. FIT Academy teaches the skills necessary to budget income and expenses, open and manage bank accounts, and saving for the future. Lessons include creating saving and spending plans, choosing the right bank, how to use a checking account, using credit wisely, paying for college and cars, and preparing for rent and home ownership.

**LEADERSHIP GIVING PROGRAM**

- **500 Club Member**
  500 Club Members contribute an undesignated gift of $500 to $999 annually ($41.67-$83.25 monthly) to United Way's Community Care Fund. 500 Club Members receive a 500 Club Member pin along with personal recognition in the Campaign Celebration Program and the Annual Report.

- **Landmark Society For Community Caring**
  The Landmark Society recognizes individuals who support United Way of the Inland Valleys with a minimum personal gift of $1,000 annually. The Landmark Society provides peer recognition, fosters a spirit of camaraderie among investors and encourages support from others who are capable of making a comparable contribution. Landmark Society Members receive a beautiful Leadership Giving lapel pin, a signed and numbered, limited-edition lithograph of a Western Riverside County Landmark by a well-known, local artist.

- **United Way Tocqueville Society**
  In recognition of Alexis de Tocqueville’s vision to the American spirit of volunteerism for the common good, this special leadership giving program recognizes individuals making an annual contribution of $10,000 or more to United Way of the Inland Valleys. The UW Tocqueville Society is a national association created to celebrate individuals who demonstrate generosity and leadership through philanthropy. Donors are recognized by United Way of the Inland Valleys as well as by the National United Way Tocqueville Society which holds exclusive national events for members. Tocqueville Society Members receive a pin of distinction and their name is listed in the National United Way Tocqueville Society Register and many other publications. Tocqueville Society Members are the guests of United Way at all United Way of the Inland Valleys’ sponsored events. They also receive the landmark print.
