**Submission Questions**

1. Provide a summary of the social engagement program being nominated, including any especially innovative program features and the target population of the program, in **250 words or less**.

2. Describe the social engagement innovation in this program in **150 words or less**.

3. Share in **100 words or less** what, if any, partners you work with on this program and their role(s). If you selected multiple community partners on the prior page, please make sure you describe the roles of all partners selected.
4. Describe the measurable **social engagement outcomes** the program has achieved, in **150 words or less**. *If this is an evidence-based program, please provide a link to the peer-reviewed publication.*

5. Describe in **150 words or less** any lessons learned to share with your peers implementing similar programs.

6. Share in **150 words or less** what resources others will need in replicating this program (e.g., costs, materials, staff time, etc.).

7. Share the contact information (name, email address) for the individual who others may contact if they wish to learn more about the program.
