Call for Social Engagement Innovations

Thank you for your interest in submitting your innovation for the Social Engagement Innovations Hub—a searchable clearinghouse of best practices and data-driven interventions, programs, and services promoting social connections across populations. After reviewing the questions below, please submit your social engagement program(s) here: https://www.surveymonkey.com/r/LTFNDPP.

Submitters will be notified if their submission is accepted and may be contacted for additional information. Contact info@committoconnect.org with any questions.

Submission Questions

1. Provide a summary of the social engagement program being nominated, including any especially innovative program features and the target population of the program, in at least 250 words.

2. Describe the social engagement innovation in this program in at least 100 words.

3. Share in at least 75 words what, if any, partners you work with on this program and their role(s). If you selected multiple community partners on the prior page, please make sure you describe the roles of all partners selected.

4. Describe the measurable social engagement outcomes the program has achieved, in at least 100 words.

5. Is there a journal article in a peer-reviewed journal about this program? If so, please provide the link.

6. Describe in at least 100 words any lessons learned to share with your peers implementing similar programs.

7. Describe any materials your program developed to support replication. This may include policy and procedure manuals, data collection instruments, and training manuals.

8. Share in at least 100 words what resources others will need in replicating this program (e.g., costs, materials, staff time, etc.).

9. Share the contact information (name, email address) for the individual who others may contact if they wish to learn more about the program.
