Trump has ordered ICE to raid our communities and round up our undocumented neighbors.

Trump “delayed” the raids to get Congress to give ICE and CBP another round of funding, and since Congress—including our own Representative, Speaker Pelosi—capitulated, the raids are back on.

Moreover, Trump has committed the US Government to a policy of “deterrence”. “Deterrence” is a policy of making *coming to the United States* such a horrifying, traumatic ordeal that staying in one’s own poverty-stricken, gang-ravaged country is preferable. Many presidents have attempted it, but Trump is all-in.

This is not what the United States should be!

We should be a country  
of freedom,  
of opportunity,  
of hope,

not a country  
of trauma,  
of torture,  
of terror.

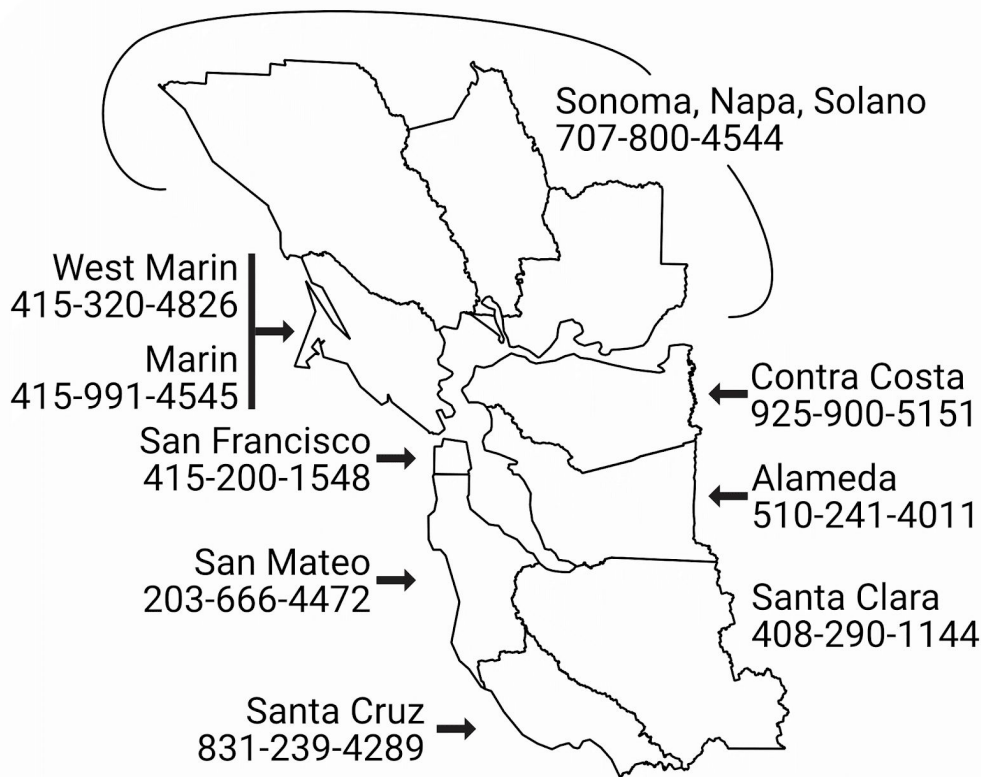

### What you can do:

- Call Congress. Demand **not one more dollar for ICE and CBP**—and demand that they **end reprogramming** that DHS uses to fund ICE and CBP behind Congress’s back.
- Show up to events like these.
- If you’re religious, pray for the people in the camps.
- Give money to RAICES (bail and legal aid for immigrants in Texas), Pangea Legal (legal aid for immigrants in CA), MALDEF (legal aid and advocacy), or CIYJA (organizing immigrant youth).
- Know your rights in the case of an ICE raid! Ask them to slip a warrant under the door; **don’t open the door unless** it’s a court warrant signed by a judge (not an “administrative warrant”, which is bogus).
- Add Rapid Response Network numbers (next page) to your phone’s contacts. If you personally witness an ICE raid, let your local hotline know.
