#### Relative to the Census or Enumeration of the Inhabitants of the State.

Passed May 7, 1845.

*The People of the State of New-York, represented in Senate and Assembly, do enact as follows :*

Census when to be taken.

§ 1. An enumeration of the inhabitants of this State is to be taken at the end of every tenth year after the year one thousand eight hundred and twenty-five.

Blank returns to be printed.

§ 2. The secretary of state shall, in every such tenth year cause uniform blank returns and abstracts in conformity to the forms and provisions herein contained, together with copies of this act, to be printed, for the purpose of taking such enumeration and obtaining other statistical information.

To be sent to county clerks.

§ 3. The secretary of state shall, on or before the first day of June, in such every tenth year, transmit in such manner as he may think proper, to each of the county clerks, twice as many of such blank returns and copies of this act as there are election districts in their respective counties.

Marshal for each election district to be appointed.

§ 4. The common council in each of the cities, and the supervisor, town clerk, and town superintendent of common schools in each of the towns in this state, shall respectively convene at some convenient place in each of such cities and towns, on or before the first Monday in July in every such tenth year, and shall appoint a marshal in and for each election district of the state, as heretofore provided in the third section of this act, whose duty it shall be to enumerate the inhabitants therein, and to perform the other duties prescribed by this act. A certificate of such appointment, under the hands of the clerk of the common council, and of the supervisor, town clerk and town superintendent aforesaid, shall be made, in which certificate the boundaries of the district assigned to the person so appointed shall be clearly and specifically described.

To be furnished with blank returns.

§ 5. It shall be the duty of each county clerk, on or before the fifteenth day of July in every such tenth year, to forward to the town clerk of each of the towns in his county, and to the clerk of the common council in any of the cities, a sufficient number of the blank returns and copies of this act, so as aforesaid transmitted to him by the secretary of

state, to supply each marshal of such town or city, on demand, with duplicate sets.

§ 6. Immediately after receiving such blank returns and copies of this act, every such marshal shall proceed to enumerate, truly and accurately, the inhabitants residing in the election district for which he shall have been appointed, by making actual inquiry at every dwelling-house, or of the head of every family residing therein ; and to obtain the statistical information required by this act, by such convenient means as may be in his power.

§ 7. Each marshal shall enter in the blank return received by him the particulars of the enumeration so made, and of the statistical information so obtained, in the following manner and form, viz :

[For the form referred to in this section, see the body of this book.]

§ 8. Every person whose usual place of abode shall be in any family, on the first day of July in every such tenth year, shall be returned as of such family ; and every person casually absent at the time of taking the enumeration, as belonging to that place in which he usually resides.

§ 9. The return so made out shall be certified by each marshal taking the enumeration to be true and accurate to the best of his knowledge and belief ; which certificate shall be subscribed and sworn to by him before any officer authorized to administer oaths, who shall certify such attestation, without charging any fee therefor.

§ 10. Each marshal shall, on or before the first day of September in every such tenth year, cause the returns so certified with a duplicate copy thereof, to be delivered to the town superintendent of common schools of the town in which such marshal shall have been appointed, or where no such officer exists, to the supervisor of the town, or alderman of the ward in cities, whose duty it shall be within ten days thereafter to make and transmit to the county clerk an abstract thereof, subscribed and certified by him, containing the

Duplicate copy where deposited.

Returns by county clerk to secretary of state.

Secretary of state to report to legislature.

Expenses how paid.

Penalty for refusing to give information.

aggregate result or sum total of each of the particulars required to be stated in the several columns of the returns to be made by the marshals of his town, as herein before prescribed. The duplicate copy of such original return shall be deposited with said town superintendent, supervisor or alderman, for the inspection at all proper hours of any person interested, and shall be filed immediately after the first day of October thereafter in the office of the town clerk, or clerk of the common council in the several cities of this state.

§ 11. Each county clerk shall, on receiving such certified statements of the enumeration and other statistical information, from the town superintendents of the several towns and wards in his county, and before the second Tuesday of October in every such tenth year, make and transmit to the secretary of state, by mail, an abstract thereof, subscribed and certified by him, containing the aggregate result or sum total in each town or ward in his county, specifying such towns and wards, of the particulars so as aforesaid required to be stated in the several columns of the returns to be made by the marshals as herein before prescribed; and also the aggregate result or sum total of each of the said particulars in his county.

§ 12. The secretary of state, after receiving such abstracts, shall prepare and report to the legislature, a general account of the enumeration, specifying the result thereof in the several towns, wards, cities and counties of the state, with a full recapitulation of the whole.

§ 13. The accounts for the services of the marshals in taking and returning such enumeration, and of the town superintendents and county clerks, in making out the abstracts thereof, shall be audited by the supervisors of the county where the services are performed, and in the city of New-York by the common council; and shall be assessed, collected and paid as part of the contingent expenses of such county or city.

§ 14. Any person being the head of a family or member thereof, above the age of twenty-one years, who shall refuse

to give to any marshal the information required by him relative to any of the particulars which such marshal is required to state in his returns concerning such family or person, or who shall willfully give false information to such marshal concerning the same, shall forfeit and pay a penalty of fifty dollars, to be sued for and recovered, with costs of suit, by and in the name of the supervisor of their respective towns, and shall be paid over to the town superintendent, for the benefit of the common schools of such towns.

§ 15. It shall be the duty of the secretary of state to appoint suitable persons to take the enumeration of the Indians residing on the several reservations in this state, who shall in respect to such reservations perform all the duties required of marshals by this act; and shall also return the number of acres of land cultivated by such Indians, and such other statistics as it may be in their power to collect, and as the secretary of state in his instructions shall prescribe; for which service they shall be paid out of the treasury upon the warrant of the comptroller such suitable compensation, not exceeding two dollars per day, as the secretary shall certify to be just. All expenses incurred by the secretary of state in executing this act shall be paid by the treasurer upon the warrant of the comptroller.

§ 16. The secretary of state shall procure and cause to be bound for the use of the members of the next legislature by the commencement of its next session, two hundred lithographic maps of this state, delineating the boundaries of the several towns, wards and counties, and specifying in each town ward and county the whole population thereof, and also the population upon which the apportionment of senators and members of assembly is based, and also the population upon which the apportionment of members of congress is based.

§ 17. All previous acts relating to the taking of the state census are hereby repealed.

§ 18. This act shall take effect immediately.

Secretary of state to cause census of Indians to be taken.

Lithographic maps to be procured.

Repeal.
