The Twist and Sprout Hat

a charming chapeau sure to brighten the darkest winter day

Instructions for infant (toddler, teen-to-adult, large adult)

Yarn:
A: Two 50g balls of worsted weight wool / merino for main hat (in violet, above).
Optional yarn:
B: Scraps in fuchsia for main portion of flower.
C: Scraps in green for leaf.
D: Scraps in orange for center of flower.

Note: The sample above was knit in Dale Garn “Freestyle” worsted weight washable wool which has been discontinued. You can substitute with any worsted weight yarn of your choice. The blue sample on page three used Malabrigo Worsted. The multi-colored sample on page three used Noro Kureyon.

Suggested needles:
*US size 8 (5.0mm) double pointed needles. (Or, begin on a circular, then switch to dpns near the top; or, use two circulars; or, one extra long circular with the “magic loop” method. Any of these methods can be used to produce the same hat.) If you prefer a ribbed bottom, as shown on the blue sample on page three, use needles one size smaller than your main needle for the cast on and the ribbing.

USE WHATEVER SIZE YOU NEED TO OBTAIN THE GAUGE, BELOW!
Option: For a smaller flower/leaf, use a smaller needle.

Gauge:
18 stitches and 24 rows = 4”/10cm in stockinette stitch. One repeat of twist pattern spans 2 ½”
(Save time by taking the time to check the gauge!)
