Texas gained more than 4 million citizens over the past decade, an increase of 15.91%. The growth in Texas was mostly centered around cities like Austin, San Antonio, Houston and the Fort Worth Dallas area. Texans of color accounted for 95% of the state’s population growth. Several of which have either already turned blue or are trending in that direction. Since 2010, 44% of the state’s growth took place in its five largest counties — Harris, Dallas, Tarrant, Bexar and Travis.
