The mission of Pride Northwest, Inc. is to encourage and celebrate the positive diversity of the lesbian, gay, bisexual, and trans communities, and to assist in the education of all people through the development of activities that showcase the history, accomplishments, and talents of these communities.

At its core, Pride Northwest is a social justice organization. As such, we recognize our responsibility to engage and support historically marginalized portions of our community. These include, but are not limited to, people of color, transgender people, LGBTQ+ youth and elders.

COMMITMENT TO ADDRESS ETHICAL ISSUES

Pride Northwest, Inc. actively solicits and encourages the business community, service clubs, and other organizations to sponsor Pride Northwest events, programs, and services, where appropriate. Pride Northwest enters into sponsorship agreements with sponsors it deems appropriate, and sponsorship agreements may vary by sponsor. This policy is designed to be mindful of Pride Northwest’s status as a nonprofit organization under the law. Pride Northwest reserves the right to refuse or decline any offer of sponsorship at its absolute discretion or to negotiate with the sponsor concerning any aspect of a proposed sponsorship.

As a 501(c)(3) nonprofit organization, Pride Northwest, Inc. gratefully accepts tax-deductible corporate sponsorships to support its mission relevant activities. At the same time, Pride Northwest, Inc. will not solicit or accept sponsorships from corporate entities whose practices, policies, or operations are deemed unacceptable and contrary to the values implicit in its mission.

Pride Northwest actively seeks to prioritize local and regional companies and organizations, in its sponsorship relationships. For legal and ethical reasons, Pride Northwest does NOT enter into sponsor partnerships which provide exclusivity to a particular sponsor.
A sponsorship is defined as a mutually beneficial exchange arranged in advance whereby Pride Northwest obtains support for a specified activity. Sponsor receives acknowledgement in return for cash and/or products and services-in-kind.

Pride Northwest, Inc. is committed to entering into partnerships, agreements, and sponsorship arrangements with organizations that align with our organizational values and therefore seeks, so far as is practical and within the constraints of federal, state, and local law, initiatives that do not compromise the independent status of Pride Northwest, Inc. We actively seek opportunities to work together with external organizations to achieve shared objectives. However, it is vital that we maintain our independence and do not allow external partnerships to bring the name of Pride Northwest, Inc. into disrepute.

This policy has been implemented to ensure clarity and transparency to our stakeholders. It is specifically designed to address sponsorship and cause related marketing. We welcome comments, criticism and suggestions as to how these goals can be met.
